

CAPABILITIES STATEMENT

CELEBRITY

Serving proudly since 1988

Celebrity Systems Corporation

A Vellicom Company

Sound/Light/Video Integration and Turnkey Systems for MWR-related Facilities and Activities including Rec Centers, Theaters, Fitness, Meeting and Conference Rooms, DFAC and more.

Core Competencies

Celebrity is a go-to provider of sound, light and video systems to the U.S. military and other government agencies. Our products and services are divided into two main categories:

1. Custom Turnkey Systems for Entertainment, Outdoor Operations and Deployed Forces

- Integrated gaming systems
- DJ/dance/karaoke systems
- Field entertainment systems
- Mobile PA and meeting outfits
- Digital Signage Solutions
- Fitness products

2. AV Facilities Integration

- Recreation and youth centers
- Conference and meeting rooms
- On-base clubs and restaurants
- Bowling centers
- Theaters, cafés and DFACs
- Internet surfing rooms
- Branded facilities (Warrior Zones)

As a design/build integrator we work directly with your on-base personnel in the updating or renovation of existing venues, and/or with master contractors in the building of new facilities.

Integration Specialties

- Touch screen control systems for efficient facilities management and energy conservation
- Distributed audio zoning
- LED ambiance lighting systems
- Multi-screen video walls
- Industrial-grade rack mounting
- CAD design and acoustical analysis
- Security and surveillance systems

How We Are Different

- Military exclusive since 1988
- Deep understanding of MWR protocols, priorities and budgetary considerations
- Comprehensive site surveys
- Effective, digitally-documented user training for continuity of training
- Domestic and International Installs
- Preventative maintenance programs for investment protection

We adhere to the **FEEDS** Principal to ensure systems will be:

- **Flexible**
- **Expandable**
- **Economical**
- **Dependable**
- **Simple**

Front Line Experience

Celebrity has participated in and/or sponsored countless special events in support of on-base and MWR programming.

Our ongoing workshops at trade shows and on military bases nationwide provide continuing education and enhancement advisories for MWR and other operations managers. We regularly attend military and government-related trade events, meeting with end users and associate providers to improve or expand our line of products and services in support of MWR and other sound/light/video requirements.

Regions of Performance

We provide ongoing service and have installations and products on all major U.S. bases and camps around the globe.
