LISTEN TO AUDIO FROM ANY TV USING YOUR SMART PHONE HEADSET!

TV Audio Unleashed on all Apple and Android Devices

This is the technology we've all been waiting for!

MYE TV Audio™ is an integrated sound selection system that lets your customers hear audio from whichever screen they choose, up to 28 different channels...using the headset on their smart phones and tablets!

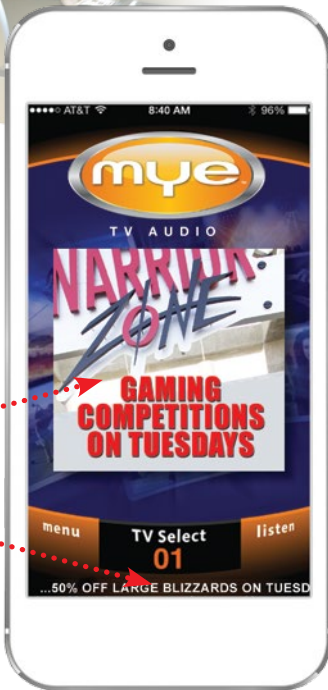

Perfect for sports bars, clubs, fitness centers, Liberty Centers, Warrior Zones and all recreation centers. This game-changing technology for MWR facilities is a completely turnkey system, allowing your troops and their families to pick the game, TV show, movie or music they want to hear using their own iPhone or Android phone. Customers simply download the MTE TV app from Apple's or Google's app store, then switch between channels at the touch of a button.

MYE TV Audio™ is new, powerful and incredibly easy to use...available exclusively from Celebrity, the leading provider of quality turnkey entertainment systems to the U.S. military.
